TRANSPORTATION FAIR FOR COMMUNITY
City Showcases Transportation Options for Tracy and surrounding Areas

May 2, 2012 (Tracy, CA) – The Tracy Transportation Advisory Commission will transform the Transit station located on the corner of Central Ave and Sixth Street into a one-stop shop for local and regional transportation information on Saturday, May 12 from 10 a.m. to 3 p.m.

Representatives from the San Joaquin Council of Governments (SJCOG), TRACER and other regional transportation agencies will be present to deliver information, answer questions and explain the current and future projects aimed at increasing ridership. The fair will feature all modes of transportation – including pedestrian, bicycling, automobile, bus, rail and air.

Community members are encouraged to use alternative modes of transportation to the fair and enjoy the options Tracy offers. Bike routes and walkways in the City allow individuals to ride and walk. Attendees can expect to enjoy the company of fellow community members, delicious food and family friendly entertainment.

About the Transportation Advisory Commission

Formed in 2007, the Transportation Advisory Commission advises the City Council on public transportation issues, including planning, programs and community outreach.

Event Details:

Date: Saturday, May 12, 2102
